Relax in comfy armchairs surrounded by a fabulous original Tuscan fresco. Browse the varied collection of books or nod off outdoors on the antique day bed.

Sleep sweetly under fragrant cotton sheets and a plump down duvet in queen-sized luxury. Soft sheepskins on local aspen flooring, robes, slippers, and a pine writing desk are other comforts. A second queen sleeping area is available in the great room.

Savour fresh seasonal breakfast specialities at your leisure either alfresco in a flower-filled courtyard or in your private dining pavilion overlooking the gardens and lake. A mini kitchen disguised in an antique buffet offers other options for light meals along with a BBQ and outdoor fireplace.

The bathroom offers a sunfilled sanctuary with a double jacuzzi tub, vintage fixtures, oriental carpets and a decorative cast iron fireplace. Enjoy a soothing soak or an invigorating spa.

The Granaries ON BEAR MOUNTAIN

The round pavilion is an inspired location for meetings, workshops or other creative endeavors.

More pampering? Gift certificates and special packages are available for honeymoons, romantic get-aways, and spa treats. Choose from intimate dinners, picnics, fondues, relaxation massage or spa treatments.
